The Kharza

Task 1. What animal is it?

Task 2. Read the text and answer the questions: Are kharzas cute? Why / Why not?

Kharzas are from Asia. They are very beautiful animals.

The kharza is big and strong. It has got a small head, ears with rounded tips and a long neck. Its legs are short, its tail is very long. The kharza can be 72 cm long. It can weigh up to 5.7 kg.

The kharza is amazing. Its fur is a mix of black, white, golden-yellow and brown.

Kharzas are great hunters. They can hunt during the day and at night. They can eat fruit and nectar, but their favourite food is meat. They can eat rats, mice, snakes, lizards, eggs and birds.

Kharzas can climb trees very well. They can leap from branch to branch. Kharzas are very fast.

The kharza is a dangerous wild animal. You can't keep it as a pet.
